Forward-Looking Statements:

This news release contains forward-looking statements and forward-looking information (collectively, “forward-looking statements”) within the meaning of applicable Canadian and U.S. securities legislation, including the United States *Private Securities Litigation Reform Act of 1995*. Other than statements of historical fact, all statements included in this news release, including, without limitation, statements regarding the Company’s anticipated business plans and prospects of success in executing its plans, are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. Various risks and uncertainties could cause actual results to differ materially from Asterion’s expectations. Other factors such as general economic, market or business conditions, future prices of cannabis, changes in the financial markets and in the demand and market price for cannabis, or changes in laws, regulations and policies affecting the biotechnology or cannabis industry, and delays in obtaining governmental and regulatory approvals, may also adversely affect the future results or performance of the Company. Readers are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly, are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements.
